Comfort Club Membership Terms

Version 2 · Effective January 1, 2026 · Fictional company for ServiceIQ testing

1. Plans and pricing

Plan	Monthly	Annual	Systems covered
Basic	$16.95	$189	1 cooling system and 1 heating system at one address
Premium	$24.95	$279	Up to 2 cooling systems and 2 heating systems at one address

A heat pump counts as one cooling system and one heating system.

2. Benefits

- One cooling tune-up (spring) and one heating tune-up (fall) per covered system each membership year
- No diagnostic fee during standard hours; after-hours diagnostics are $99
- Repair discount: 15% (Basic) or 20% (Premium). The repair discount also applies to thermostats supplied and installed by Cedar Ridge. It does not apply to new heating or cooling system installations (furnaces, air conditioners, heat pumps, ductless systems), which receive member pricing on the written quote.
- 10% off duct cleaning and indoor air quality products
- Priority scheduling ahead of non-member service calls of the same urgency
- One missed appointment fee waiver per membership year
- Premium only: annual condensate drain line treatment and a 3-year labor warranty on repairs made during membership

3. Term and renewal

Memberships begin on the enrollment date and renew automatically each month (monthly plans) or each year (annual plans) using the payment method on file. We send a renewal reminder 30 days before annual renewals.

4. Cancellation and refunds

- Monthly plans: cancel anytime with 30 days notice; no refund for the current month.
- Annual plans: cancel anytime. You receive a prorated refund for unused months minus the regular price of services already used during the membership year (for example, a $129 tune-up).
- Benefits end on the cancellation date.

5. Limitations

Unused tune-ups do not roll over to the next membership year. Membership is tied to the service address and is not transferable to another address. Membership does not guarantee a specific appointment time.
